## 2016-17 Physical Education and Sport Survey - (Primary)

Deadline for return to PDM - Friday 30 June 2017

### Rational for the PE and School Sport survey

- Completing this survey will support your school in highlighting improvements to Ofsted in your offer to pupils in PE and sport through the use of the PE and Sport Premium funding.
- Information within this survey will enable the school to submit an application to gain a School Games kite mark award which is recognised nationally.

### General Information Regarding the Survey

- Please answer the following questions as accurately as possible, entering your answers in the boxes provided.
- It is essential to place an answer in **every** box using the guidelines provided. If no number is placed in a box, it should be entered as “/” or “-”.
- A number of questions relate to a ‘typical week’. This is a week in which there is minimal disruption to school timetables and plans as a result of activities, poor weather, exams and tests, plays, visits or concerts. In a typical week, pupils are familiar with the timetable and pattern of the day.

SEN Students – based on the pupils on a SEN Register
