### Support for families

Emma is available at school for those needing support and advice. She is also available to visit homes when early family help is required. Emma will also be part of a staff team who will visit the homes of absent children whose parents have not informed the school of their child's absence. Please ensure you ring the school before 9.15am to log your child's absence with office staff.

### The Curriculum

*Making learning memorable*

*This year's focus for science week is SPACE.*

*The week will begin with a 'wonderdome', a planetarium filled with fabulous learning opportunities about space.*

*At the end of the week we will be welcoming a 15 metre long rocket onto the premises. We can't wait!*

### Healthy Tuck Shop

#### School Policy

**Please remember that children are allowed to bring in healthy snacks but are not allowed to bring in large bags of crisps and bars of chocolate.**
