

Dear Parents/Carers,

As part of Year 5, Buxton Community School always provide an activity day to allow children to experience a day at secondary school as they move into their final year at Primary school. This year we will be visiting BCS on Tuesday 21st June.

Children will need to meet us at the school reception at 9.05am. There will be four working sessions of approximately 60 minutes – two in the morning and two in the afternoon. It would be helpful if children could bring a pen or pencil from home but our staff will take pencils as well – just in case! Some children will be doing a session of PE and if their name is included in this list below they will also need to bring their PE kit on the day.

Children will have their lunch in the school cafeteria as part of the whole experience and it will be at 11.10am so that they avoid the large crowds associated with the rest of the school arriving for lunch. Children can either bring a packed lunch or purchase food from the dining room. Around £2.50 will buy an adequate lunch and children who normally receive free school meals can obtain food to this value without payment.

We will be leaving BCS at about 2:15 pm which means we will back for the normal end of the school day and children will be able to be collected or walk home as usual. This day is always very successful and is a great opportunity for the children and they always show the school to great advantage through their enthusiasm and general good behaviour. If you need any more details please get in touch with Mr Pace or Mrs Parkes and we will be happy to speak to BCS to resolve any issues.

Yours sincerely,

Mrs S. Parkes

Mr A. Pace
