Support for families

Emma is available at school for those needing support and advice. She is also available to visit homes when early family help is required. Emma will also be part of a staff team who will visit the homes of absent children whose parents have not informed the school of their child's absence. Please ensure you ring the school before 9.15am to log your child's absence with office staff.

The Curriculum

Outdoor learning at Whitehall Education Centre

Children and parents working with the poet, Andy Tooze and his illustrator.

Coronavirus

It's understandable that there are concerns about the increasing numbers of the public contracting coronavirus across the world. Whilst the risk remains low to individuals, it's important that we all do our bit to minimise the risk of any germs being passed on from one person to another. Washing hands often and drying them properly is a good way to stop the cross contamination of germs. Like all schools, we are taking extra precautions to ensure the thorough cleaning of surfaces, door handles and toilets by using cleaning products that are hospital standard disinfectants.
